

2. Until such time as the Company waives its right to settle a Claim in accordance with Condition V.C.1. or its right to elect such method of settlement has expired, the Insured shall not execute a binding contract to sell the Property without the Company's prior approval. Further, the Insured shall authorize its broker to release to the Company marketing information for the Property when requested by the Company, unless the Insured shall have notified the broker that the Company's right to elect to settle a Claim in accordance with Condition V.C.1. has been waived or has expired. If the Insured wishes to obtain the Company's approval to execute a binding contract to sell the Property, it will submit to the Company information concerning the proposed Property sale, the expense items proposed by the Insured to be deducted from the gross proceeds of sale for purposes of Condition V.C.3., and the Insured's then-estimated amounts thereof. The Company will approve or reject the proposed settlement and will not require the Insured to make counteroffers. If the Company elects to settle the Claim in accordance with Condition V.C.1., it will thereafter control the marketing of the Property.
- G. **Advances**—The Insured shall advance real estate property taxes and normal and customary hazard insurance premiums, foreclosure and eviction costs (including but not limited to Court Expenses and reasonable attorneys' fees), and necessary and reasonable expenses for the protection and preservation of the Property. The costs of repairing Physical Damage to the Property shall not be considered an approvable expense.
- H. **Deficiency Actions**—
1. If either the Company or the Insured elects to pursue a deficiency judgment against the Borrower, such party shall notify the other and together they shall determine for whose benefit the action shall be undertaken after considering all material information available. Any amounts collected from a judgment thereon, less post-judgment collection costs, shall be paid to the party for whose benefit the action was commenced. If pursuit of the deficiency judgment was undertaken for the mutual benefit of the Company and the Insured, (a) the rights against the Borrower will be held jointly, with each plaintiff having full and undivided rights against the Borrower, and (b) the Company shall be entitled to a percentage of the net amount collected, determined by dividing the total Loss paid by the Company with respect to the Claim by the gross amount of the deficiency judgment, and the balance shall be paid to the Insured. Until payment of Loss by the Company, the Insured shall retain control and management of a deficiency action undertaken for the mutual benefit of the Company and the Insured; and thereafter the control and management of such action shall be in accordance with the Company's instructions, provided that the Insured may retain control and management if, determined at the time of payment of the Loss, the Insured has more at risk than the Company due to multiple loan defaults by the same Borrower.
 2. If the pursuit of a deficiency judgment will cause additional expense, whether through delay in the Insured's ability to obtain Borrower's Title to the Property (free of any redemption rights) or otherwise, all advances made by the Insured pursuant to Condition IV.G., notwithstanding any limitation thereon continued to Condition V., and the amount of interest on the Loan computed at the contract rate stated in the Loan which are paid or accrued solely because of such delay in obtaining Borrower's Title to the Property shall be reimbursed as follows:
 - a. If pursuit of the deficiency judgment was undertaken solely for the Company's benefit, all such amounts shall be added to the Loss payable by the Company hereunder;
 - b. If pursuit of the deficiency judgment was undertaken solely for the Insured's benefit, no such amounts shall be recoverable hereunder; and
 - c. If pursuit of the deficiency judgment was undertaken for the mutual benefit of the Company and the Insured, all such amounts shall be allocated between the Company and the Insured in the same proportion to which they are entitled to share in the deficiency judgment, and appropriate settlement shall be made in accordance with such allocation. A settlement shall be made upon conclusion of the deficiency action for items paid or accrued through such date, and a final settlement shall be made after completion of any collection efforts.
- I. **Claim Information**—In order to make a Perfected Claim, the Insured must provide the Company with the following:
1. A completed form approved by the Company for payment of a Claim;
 2. All information reasonably requested by the Company;
 3. An executed trustee's or sheriff's deed, or other evidence satisfactory to the Company that the foreclosure sale has been completed, or a deed from the Borrower in the case of a voluntary conveyance, demonstrating that the Insured has obtained Borrower's Title to the Property; and

4. Access to the Property if requested by the Company;

provided that the Insured shall not be required to comply with subparagraphs 3 and 4 above if the Property is redeemed by the Borrower pursuant to the exercise of redemption rights arising in a foreclosure sale or is conveyed to a third party prior to the filing of a Claim in a foreclosure sale or in an early disposition of the Property approved by the Company.

V. Loss Payment Procedure

A. Filing of Claim—The Insured shall file a Claim no later than sixty (60) days following the first to occur of the following events:

1. The acquisition by the Insured of Borrower's Title to the Property and the expiration of any redemption rights;
2. The disposition of the Property to a third party at a foreclosure sale; or
3. The early disposition of the Property to a third party with the Company's approval pursuant to Condition IV.F.

If the Insured fails to file a Claim within the time prescribed, such failure shall be deemed to have been an election by the Insured to waive any right to any benefit under this Policy with respect to the affected Loan unless the Company agrees otherwise.

B. Calculation of Claim Amount—The Claim Amount shall be an amount equal to the following:

1. The sum of
 - a. The amount of unpaid principal balance due under the Loan as of the date of Default;
 - b. The amount of accumulated delinquent interest due on the Loan, computed at the contract rate stated in the Loan, through the date that the Claim is submitted to the Company or, if earlier, the date sixty (60) days after the occurrence of the applicable event described in Condition V.A.; and
 - c. The amount of advances made by the Insured under Condition IV.G.; provided that
 - (1) Attorney's fees advanced thereunder shall not exceed three percent (3%) of the sum of the unpaid principal balance and the accumulated interest payable in accordance with Condition V.B.1.b; and
 - (2) Payment for such other advances shall be prorated through the date the Claim is submitted to the Company or, if earlier, the date sixty (60) days after the occurrence of the applicable event described in Condition V.A.
2. Minus the sum of
 - a. The amount of all rents and other payments (excluding proceeds of fire and extended coverage insurance) collected or received by the Insured, which are derived from or in any way related to the Property (other than proceeds of a sale of the Property);
 - b. The amount of cash remaining in any escrow account as of the last payment date;
 - c. The amount of cash to which the Insured has retained the right of possession as security for the Loan;
 - d. The amount paid under applicable fire and extended coverage policies which are not applied to restoring and repairing the Property, if the Property suffered Physical Damage, and which has not been applied to the payment of the Loan;
 - e. The estimated cost to repair Physical Damage to the Property, if more than \$1,500.00, but only if the Company elects to settle the Claim pursuant to Condition V.C.1. and the Insured does not elect to perform such repairs;
 - f. The amount expended by the Insured for advances not authorized by Condition IV.G; and
 - g. The amount of any payments of Loss previously made by the Company on the Loan.
3. If a Loan has been divided into secured and unsecured portions pursuant to proceedings under the federal bankruptcy laws, the amount of Loss shall include unpaid principal due under the unsecured portion of the

Loan, even if the Borrower has been released from such portion of the Loan, with interest thereon computed at the note rate from the date of Default through the date referred to in Condition V.B.1.b.

C. Payment of Loss—The Company shall elect the method of Loss settlement, as provided herein, within sixty (60) days after the Insured has filed a Claim in accordance with Condition V.A., whether or not the Company has made a final determination to accept the Claim. If additional information is required in order to make the Claim a Perfected Claim, the Company must request such information from the Insured within twenty (20) days after the date the Claim was filed, whereupon the 60-day period shall be suspended until such additional information is furnished to the Company. If at any time prior to its settlement election the Company is denied reasonable access to the Property, the 60-day period shall be suspended until such access is made available to the Company. The Company shall select from the following settlement options, at its sole discretion:

1. Acquire title to the Property and pay the Claim Amount calculated in accordance with Condition V.B. The Loss shall be payable only if all of the following conditions are satisfied:
 - a. Title to the Property is conveyed to the Company by delivery of a recordable deed in normal and customary form, containing the usual warranties and covenants and conveying to the Company or its designee Good and Merchantable Title to the Property, together with evidence satisfactory to the Company, in the form of a title insurance policy approved by the Company or an opinion of title from an attorney approved by the Company, that the Insured has acquired and can convey to the Company or its designee Good and Merchantable Title to the Property;
 - b. All Physical Damage to the Property has been repaired by the Insured, but only if the cost of repairs exceeds \$1,500.00 and the Insured has elected to repair Physical Damage to the Property in lieu of accepting a deduction from the Loss payment pursuant to Condition V.B.2.e. If the Insured elects to accept a deduction from the Loss payment in lieu of performing repairs, the Insured shall, at the Company's request, assign all of the Insured's rights, title, and interests in any and all insurance policies pertaining to the Property (but only to the extent the proceeds thereof have not been deducted from the Loss pursuant to Condition V.B.2.d.); and
 - c. Possession of the Property is furnished to the Company.
2. Pay a percentage of the Claim Amount pursuant to the coverage option specified on the Certificate. If the Company elects to pay the Loss under the terms of this subparagraph 2, the Company shall have no rights in the Property and the title to the Property shall be retained by the Insured; or
3. If the Property is redeemed by the Borrower pursuant to the exercise of redemption rights arising in a foreclosure sale or is conveyed to a third party prior to the date the Loss payment becomes due in a foreclosure sale or in an early disposition with the Company's approval, the Company shall pay the lesser of (a) the Loss calculated in accordance with Condition V.B. minus the net proceeds of such disposition (i.e., net of actual and reasonable marketing and closing costs), or (b) the percentage of Loss calculated in accordance with Condition V.B. pursuant to the coverage option specified on the Certificate (unless the Company is required to pay the greater of amounts (a) and (b) under the specific circumstances described in Condition IV.E.6.).

Except as provided in Condition VI.C., payment of Loss shall be made not later than the end of the 60-day period or, if settlement is to be made in accordance with Condition V.C.1., not later than ten (10) days after the Insured notifies the Company that it has satisfied all of the conditions stated therein, or the end of the 60-day period, whichever is later.

D. Discharge of Obligation—Any and all payments in the full amount required by Condition V.C., plus any amounts required by Condition IV.C.2 and Condition IV.H.2, shall be a final discharge of the Company's obligation with respect to such Loss under this Policy.

VI. Additional Conditions

A. Proceedings of Eminent Domain—In the event that part or all of the Property is taken by eminent domain, condemnation or by any other proceedings by a federal, state or local governmental unit or agency, the Insured shall require that the Borrower apply the maximum permissible amount of any compensation awarded in such proceedings to reduce the principal balance of the Loan, in accordance with the law of the jurisdiction where the Property is located.

B. Subrogation—

1. To the extent permitted by applicable law, the Company shall be subrogated pro rata (with pro rata shares determined in accordance with Condition IV.H.) to all of the Insured's rights of recovery against the Borrower and any other person or organization relating to the Loan or to the Property; except that the Company will be entitled to all such rights if it is determined pursuant to Condition IV.H. that only the Company will pursue such rights or if the Company pays such Loss pursuant to Condition V.C.1. or Condition V.C.3.(a); and except, further, that the Insured will be entitled to all such rights if it is determined pursuant to Condition IV.H. that only the Insured will pursue such rights or if the Company is not entitled by law to pursue such rights. The Insured shall execute and deliver at the request of the Company such instruments and papers and undertake such actions as may be necessary to transfer, assign and secure such rights. The Insured shall refrain from any action, either before or after payment of a Loss hereunder, that would prejudice such rights.
2. The execution by the Insured of a release or waiver of the right to collect the unpaid balance of a Loan shall release the Company from its obligation under its Certificate to the extent and amount of said release or waiver, anything in this Policy to the contrary notwithstanding.

C. Claims Delay—If the payment of Loss is delayed pending an investigation by the Company of possible coverage defenses or for any other reason, simple interest on the amount thereof, computed at the contract rate or rates stated in the Loan through the date the Loss is paid, shall be added to the Loss payment. In no event shall the Company delay its decision to accept or deny a Claim more than one hundred twenty (120) days after the date the payment of Loss was otherwise required pursuant to Condition V.C. The denial of a Claim shall not abate the accrual of interest pursuant to this Condition VI.C. if it is ultimately determined, by legal proceedings or otherwise, that the Claim is covered under the Policy.

D. Misrepresentation and Materiality of Obligations—The Insured agrees that statements made in matters presented by it, the Borrower, or any other party in any application for coverage under this Policy, and in the appraisal, the plans and specifications, and other exhibits and documents submitted therewith or at any time thereafter are the Insured's representations, and that the Company has issued the Certificate in reliance on the correctness and completeness thereof.

E. Notice—In addition to all other means of communication deemed acceptable by the Company in writing, all notices, claims, tenders, reports and other data required to be submitted to the Company by the Insured shall be mailed postpaid to the Company at P.O. Box 2300, Winston-Salem, North Carolina 27102. The Company may change this address by giving written notice to the Insured. All notices to the Insured shall be postpaid to the address on the face of this Policy or the last known address unless the Company is otherwise notified in writing. The Company and the Insured may mutually agree that notices shall be sent to any additional Person. No liability is incurred by the Company if it is discovered that notice should have been sent to a Person other than the Insured or such additional Persons theretofore mutually agreed upon.

F. Reports and Examinations—The Company may call upon the Insured for such reports pertaining to any Loan insured hereunder as it may deem necessary and may inspect the books or accounts of the Insured as they pertain to any Loan insured hereunder.

G. Suit—

1. No suit or action for recovery of any Claim under this Policy shall be sustained in any court of law or equity unless the Insured has substantially complied with the terms and conditions of this Policy, and unless the suit or action in equity is commenced within three (3) years [five (5) years in Kansas and Florida] after the Claim has been filed with the Company. No suit or action for Claim may be brought against the Company until sixty (60) days from the date that the Claim is filed.
2. If a dispute arises concerning the Loan and involving either the Property or the Insured, the Company has the right to protect its interest by defending the suit, even if the allegations contained in such suit are groundless, false or fraudulent. The Company is not required to defend any lawsuit involving the Insured, the Property or the Loan. The Company shall also have the right to direct the Insured to institute a suit on the Insured's behalf, at the Company's expense, if this suit is considered necessary or appropriate by the Company to preserve the Company's rights.
3. If, under applicable law, the Borrower successfully asserts a defense which results in the release in whole or in part of the Borrower's obligations to repay the Loan, the Company shall be released to the same extent and amount from its liability under this Policy except as provided in Condition V.B.3.

- H. **Conformity to Statute**—Any provision of this Policy which is in conflict with the law of the jurisdiction in which the Insured is located is hereby amended to conform to the minimum requirements of that law.
- I. **Special Conditions**—The Company will not rescind coverage or deny or adjust a claim with respect to a Loan on the basis of a failure to satisfy a special condition (other than a special condition relating to completion of constructing rehabilitation or repairs) if the Borrower has made twenty-four (24) consecutive monthly payments from the Borrower's own funds.
- J. **Premium Refunds**—If a Claim is excluded and the Company is not otherwise prejudiced or damaged thereby, the Company shall refund to the Insured a portion of the premium paid on the Certificate prior to the date of the event giving rise to such exclusion in accordance with the applicable cancellation schedule and all premiums paid after the date of such event.
- K. **Incontestability**—Subject to the satisfaction of all of the conditions set forth below, the Company agrees not to reject or deny a claim for benefits under this Policy by reason of fraud, negligence, omission, error, or misrepresentation in the application for coverage of a Loan, or in any statement, document, exhibit, or information submitted in connection with an application for coverage. This provision will not apply unless all of the following conditions are satisfied:
1. The Insured, any officer, employee, or agent of the Insured, any mortgage broker or intermediary underwriting or originating the Loan, or any other Person under contract with any of the foregoing Persons acting with respect to the Loan or the related Property transaction (including but not limited to an appraiser, escrow agent, or closing agent) did not possess or otherwise acquire actual knowledge of such fraud, negligence, omission, error, or misrepresentation prior to or within twelve (12) months after the Effective Date of coverage with respect to the Loan;
 2. The Company did not acquire actual knowledge of such fraud, negligence, omission, error, or misrepresentation prior to or within twelve (12) months after the Effective Date of coverage with respect to the Loan or if such knowledge was acquired by the Company within such twelve-month period, the Company failed to rescind coverage within thirty (30) days after the date it acquired such knowledge; and
 3. The Borrower has made twelve (12) consecutive regularly-scheduled loan payments prior to the date the Loan went into Default, utilizing funds available to Borrower from sources other than any Person described in condition 1 above.

Master Policy Provisions Endorsement
(Exclusions From Coverage)

The purpose of this Endorsement is to amend Condition III (Exclusions From Coverage) under Master Policy (Form TG-87, but not any other Endorsement to the Policy under which Loans are insured), to include the following:

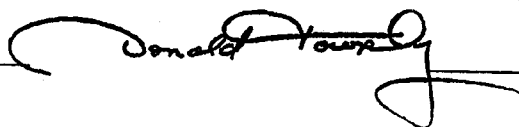

- H. Physical Damage (Other than Relating to Pre-Existing Environmental Conditions)** - Any Claim where, at any time after the Certificate Effective Date, there is Physical Damage to the Property of a type other than as described in Condition III.F. and other than reasonable wear and tear, subject to the following provisions:
1. This exclusion will not apply if the Company in good faith determines that the aggregate cost of restoring all such Physical Damage is less than fifteen hundred dollars (\$1,500.00), or such higher amount as the Company may provide from time to time.
 2. This exclusion will not apply if such Physical Damage was specifically disclosed to the Company in the application for coverage relating to the Property.
 3. This exclusion will apply if such Physical Damage occurred:
 - a. prior to expiration of the settlement period described in Condition V.C. if the Company elects to acquire the related Property in settlement of a Claim; or
 - b. prior to the Default and was the principal cause of the Default and the Property was either uninsured for loss arising from such Physical Damage or was insured for an amount which, disregarding any deductibles up to \$1,500.00, was insufficient to restore the Property as provided in Condition III.H.4. below.
 4. The exclusion resulting from Condition III.H.3. will not apply if the Property is restored in a timely and diligent manner to its condition (except reasonable wear and tear) as of the Certificate Effective Date. In lieu of requiring restoration of the property, the Company may, at its option, reduce the Claim Amount by an amount equal to the cost of such restoration.
 5. For purposes of this Condition III.H., the Property subject to restoration will consist only of the land, improvements or personal property deemed part of the real property under applicable law; and chattel items, affixed to the real property and identified in the appraisal of the Property at the time the Loan was made, whether or not they are deemed part of the real property.
 6. Cost estimates relied upon by the Company in connection with this Condition III.H. shall be provided in writing by an independent party selected by the Company. The Company will furnish the Insured with any such written cost estimates, if requested by the Insured.
- I. Down Payment** - Any Claim involving a Loan which is for the purchase of the Property, and for which the Borrower did not make a down payment as described in the application for coverage.
- J. First Lien Status** - Any Claim, if the mortgage, deed of trust or other similar instrument executed by the Borrower and Insured hereunder did not provide the Insured at origination with a first lien on the Property.
- K. Breach of the Insured's Obligations or Failure to Comply with Terms** - Any Claim involving or arising out of any breach by the Insured of its obligations under, or its failure to comply with the terms of, this Policy or of its obligations as imposed by operation of law, if the breach of failure:
1. Materially contributed to the Default resulting in such Claim; or
 2. Increased the Loss, except that if the Company can reasonably determine the amount of such increase, such Claim will not be excluded, but the related Loss will be reduced to the extent of such amount.

Master Policy Provisions Endorsement

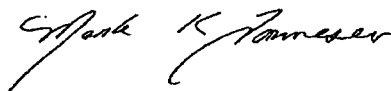

(Exclusions From Coverage)

The purpose of this Endorsement is to amend Condition III (Exclusions From Coverage) under Master Policy (Form TG-1 or TG-106, but not any other Endorsement to the Policy under which Loans are insured), to include the following:

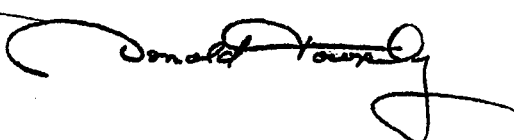

- G. Physical Damage (Other than Relating to Pre-Existing Environmental Conditions)** - Any Claim where, at any time after the Certificate Effective Date, there is Physical Damage to the Property of a type other than as described in Condition III.F. and other than reasonable wear and tear, subject to the following provisions:
1. This exclusion will not apply if the Company in good faith determines that the aggregate cost of restoring all such Physical Damage is less than fifteen hundred dollars (\$1,500.00), or such higher amount as the Company may provide from time to time.
 2. This exclusion will not apply if such Physical Damage was specifically disclosed to the Company in the application for coverage relating to the Property.
 3. This exclusion will apply if such Physical Damage occurred:
 - a. prior to expiration of the settlement period described in Condition V.C. if the Company elects to acquire the related Property in settlement of a Claim; or
 - b. prior to the Default and was the principal cause of the Default and the Property was either uninsured for loss arising from such Physical Damage or was insured for an amount which, disregarding any deductibles up to \$1,500.00, was insufficient to restore the Property as provided in Condition III.G.4. below.
 4. The exclusion resulting from Condition III.G.3. will not apply if the Property is restored in a timely and diligent manner to its condition (except reasonable wear and tear) as of the Certificate Effective Date.  5. For purposes of this Condition III.G., the Property subject to restoration will consist only of the land, improvements or personal property deemed part of the real property under applicable law; and chattel items, affixed to the real property and identified in the appraisal of the Property at the time the Loan was made, whether or not they are deemed part of the real property.
 6. Cost estimates relied upon by the Company in connection with this Condition III.G. shall be provided in writing by an independent party selected by the Company. The Company will furnish the Insured with any such written cost estimates, if requested by the Insured.
- H. Down Payment** - Any Claim involving a Loan which is for the purchase of the Property, and for which the Borrower did not make a down payment as described in the application for coverage.
- I. First Lien Status** - Any Claim, if the mortgage, deed of trust or other similar instrument executed by the Borrower and Insured hereunder did not provide the Insured at origination with a first lien on the Property.
- J. Breach of the Insured's Obligations or Failure to Comply with Terms** - Any Claim involving or arising out of any breach by the Insured of its obligations under, or its failure to comply with the terms of, this Policy or of its obligations as imposed by operation of law, if the breach or failure:
1. Materially contributed to the Default resulting in such Claim; or
 2. Increased the Loss, except that if the Company can reasonable determine the amount of such increase, such Claim will not be excluded, but the related Loss will be reduced to the extent of such amount.

(Cooperative Housing)

The purpose of this Endorsement is to amend conditions under the Master Policy Form TG-1, TG-87 or TG-106, with respect to cooperatives only, but not any other Endorsement to the Policy under which Loans are insured, to include the following:

I. Definitions The following definitions are amended as set forth below:

D. Borrower's Title to the Property The existing definition is deleted in its entirety and the following is substituted therefor:

"Borrower's Title to the Property means the possession and control of the Unit which gives transferable ownership rights which may include the right to record ownership of the Stock and Proprietary Lease and/or evidence of duly completed foreclosure pursuant to the 'Uniform Commercial Code'."

I. Default The existing definition is deleted in its entirety and the following is substituted therefor:

"Default means the failure of the Borrower to pay when due an amount equal to or greater than one (1) monthly regular periodic payment due under the terms of a Loan, including any such amount due by reason of the Insured's exercise of the right to accelerate the Loan or the failure of the Borrower to pay any Maintenance Fee of which the Insured has received notice from the Corporation. Provided, however, that where the Loan is current, the Insured's obligations with respect to initiating foreclosure shall not commence until six (6) months after the Insured's initial receipt of such notice. A Loan is deemed to be in Default for that month as of the close of business on the installment due date for which a scheduled monthly payment has not been made. For example, a Loan is "three (3) months in Default" if the monthly installments due on January 1 through March 1 remain unpaid as of the close of business on March 1."

M. Good and Merchantable Title Subsection (3) is deleted in its entirety and the following is inserted as a new section.

3. "Any impediments which will not have a materially adverse effect on either the transferability or the sale of the Stock and Proprietary Lease on the Unit contained in the articles of incorporation or the by-laws of the Corporation to approve a transference of the Stock and Proprietary Lease."

O. Loan The words "Security Agreement" are added after the words "deed of trust".

V. Property in policies TG-1 and TG-106 and

W. Property in policies TG-87

The definition is deleted in its entirety and replaced by the term "Unit". Unit is defined as the residential Unit in the Building which the Borrower is entitled to occupy, as evidenced by the Stock and Proprietary Lease. The term "Unit" as used herein shall include the Stock and Proprietary Lease where the context requires. References in the Policy to Property shall be deemed to mean "Unit".

IV. Conditions Precedent to Payment of Loss

- G. Advances** The existing section is deleted in its entirety and the following is substituted therefor:

"The Insured shall advance to the Corporation pursuant to the Stock and Proprietary Lease for a Unit the Maintenance Fee, foreclosure and eviction costs (including but not limited to Court Expenses and reasonable attorney's fees), and necessary and reasonable expenses for the protection and preservation of the property. The costs of repairing physical damage to the Property shall not be considered an approvable expense."

The following definitions are added to **I. Definitions**:

Building means the real property including the land, building(s) and all improvements owned in fee by the Corporation, unless otherwise noted as a leasehold. The Building and all units therein shall have full governmental and quasi-governmental approval for their residential use and occupancy.

Corporation means the cooperative corporation or association, as defined in the United States Internal Revenue Code, which owns the Building in which the Unit is located of which the Borrower is a shareholder.

Stock and Proprietary Lease means the documents evidencing the Borrower's rights and obligations associated with the Unit which are collateral for the Loan and represent the Borrower's ownership interest of shares of the Corporation and leasehold interest as tenant pursuant to the proprietary lease for the Unit.

Maintenance Fee means the amounts paid to the Corporation pursuant to the Stock and Proprietary Lease for a Unit to cover the pro-rata share of the expenses of the Building including but not limited to, debt service on the underlying mortgage, real estate taxes and other normal and usual operating expenses properly payable by the Insured.

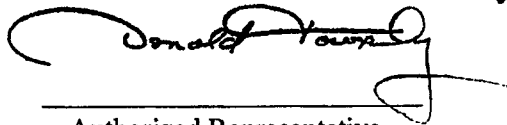

All terms capitalized will have the meaning set forth in the Policy, except as otherwise defined herein. Nothing herein contained will be held to vary, alter, waive or extend any of the terms and conditions of the Policy, or any amendments thereto, except as expressly set forth above.

I. Definitions-The existing definition is deleted in its entirety and the following is substituted therefor:

I. Default means the failure of a Borrower to pay an amount then due under the terms of a Loan, including any such amount due by reason of the Insured's exercise of the right to accelerate the Loan. A Loan is deemed to be in Default as of the close of business on the due date for which a required payment has not been made. A Loan is deemed to be one month in Default if on the same day of the next month the payment remains unpaid.

J. Effective Date-The existing definition is deleted in its entirety and the following is substituted therefor:

1. For new Loans, other than construction Loans, 12:01 a.m. on the date the Loan was Consummated. A new Loan is a Loan which was not Consummated as of the date the Insured submitted an application for coverage under this Policy; or
2. For Loans other than construction Loans that are not new Loans, 12:01 a. m. on the date of coverage as indicated on the Certificate.
3. For new Loans that are construction Loans, 12:01 a.m. on one of the following: (a) the date the Loan was closed; or (b) the date the Borrower accepted the Property as complete; or (c) the date a Certificate of Occupancy was issued for the Property or the Property became habitable under applicable law, provided the Insured gives notice to the Company of its election of one of the above within forty five (45) days of the end of the commitment period. "Construction Loan" shall mean a loan which is closed prior to completion of, or restoration of substantial physical damage to, the Residential structure on the property.

II. Coverage –

B. Initial Premium-The following paragraph is added as set forth below:

Notwithstanding the above, with respect to new Construction Loans, within forty-five days from the end of the commitment period of any Loan, the Insured shall forward the appropriate initial premium due to the Company to establish coverage for that Loan as of the Effective Date.

III. Exclusions From Coverage –

A. Balloon Payment-The following paragraph is added as set forth below:

In addition to the above paragraph of this exclusion, any Claim relating to a Construction Loan where the Default arose from the failure of the Insured, its Servicer or any other lender to rollover or convert the Construction Loan to a "permanent" or long term Loan for a term not shorter than that specified in the application, or to offer the Borrower in writing before the due date of the Balloon Payment a renewal or extension of such Construction Loan, or a new loan or take out loan at then current market rates, in an amount not less than the then outstanding principal balance and all anticipated accrued interest, for a term not shorter than that specified in the application for the "permanent" or long term financing of the property. If no term is specified in the Application for the "permanent" or long term financing of the property, then the term will be presumed to be thirty (30) years from the date the Loan closed.

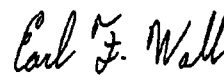

All terms capitalized will have the meaning set forth in the Policy, except as otherwise defined herein. Nothing herein contained will be held to vary, alter, waive or extend any of the terms and conditions of the Policy, or any amendments thereto, except as expressly set forth above.

II. Coverage

In order to obtain an extension of coverage under this Policy for a Loan, the Insured shall submit, within the time frame specified in the Manual after it approves the Loan, a completed Transmittal Form. Subject to payment of the initial premium, coverage of a Loan shall not be effective unless the Company has issued a Certificate with respect to the Loan.
- B. **Initial Premium**—Within fifteen (15) days from the Effective Date of the Certificate, the Insured shall forward the appropriate initial premium due to the Company. The Insured shall be entitled to a 30-day grace period for the payment of the initial premium.
- C. **Renewal of Certificate and Cancellation for Non-Payment of Renewal Premium**—The entire renewal premium for a Certificate shall be due and payable within forty-five (45) days after the coverage date through which the prior premium on the Certificate had been paid. The Company shall give the Servicer (or the Insured, if the Company's records do not indicate that a Servicer has been appointed) notice of the renewal premium due date of each Certificate. Upon payment of the entire renewal premium when due, the Certificate will be deemed renewed. If the Insured fails to make this payment within the forty-five (45) day period, the liability of the Company for any Default not then existing shall terminate as of 12:01 a.m. on the first day following the coverage date through which the prior premium had been paid, except that any Default occurring within the forty-five (45) day period which results in a Claim being filed will be covered and any due and unpaid renewal premium for the Certificate through the end of the applicable renewal period will be deducted from the Loss payment. In the event coverage hereunder for a Loan lapses due to nonpayment of premium attributable to the transfer, seizure, or surrender of servicing rights with respect to such Loan, coverage shall automatically be reinstated, retroactive to the date coverage had lapsed, provided all past due premiums with respect to the Loan are paid to the Company within 90 days after the lapse commenced.
- D. **Cancellation by the Insured of a Certificate**—The Insured may cancel a Certificate by returning the Certificate to the Company or making a written request for cancellation to the Company and the Company must comply. Upon receipt thereof, the Company shall refund or collect such sum as may be determined to be due in accordance with the appropriate cancellation of premium schedule then in effect and furnished to the Insured. However, no refund on a Certificate will be paid if a Claim has been filed. Cancellation of a Certificate will not cancel this Policy.
- E. **Cancellation of Policy**—Either the Insured or the Company may cancel this Policy by providing thirty (30) days' [forty-five (45) days in Florida] written notice of cancellation of the Policy. After the effective date of cancellation, this Policy shall continue in full force and effect with respect to Certificates issued prior to the effective date of cancellation, subject to all of the terms and conditions of this Policy and the Certificates, but in all other respects this Policy shall be considered null and void.
- F. **Loan Modifications**—Unless advance written approval is obtained from the Company, the Insured shall not make any change in the terms of the Loan including, but not limited to, the borrowed amount, interest rate, term, or amortization schedule of the Loan, except as permitted by the terms of the Loan; nor any change in the Property; nor release the Borrower from liability on the Loan. If any of the foregoing events occur without the Company's advance written approval, the Company's liability for coverage under its Certificate shall terminate as of the date such event occurs and the Company's liability shall be limited to the return of a portion of the premium paid prior to the date of such event in accordance with the applicable cancellation schedule and all premiums paid after the date of such event.
- G. **Open End Provisions**—The Insured may increase the principal balance of the Loan, provided that the approval of the Company has been obtained. The Insured shall pay the Company the additional premium due at the then prevailing premium rate.
- H. **Assumptions**—If a Loan is assumed with the prior approval of the Insured, the liability of the Company for coverage under its Certificate shall terminate as of the date of such assumption, unless the Company approves the assumption in writing or the Borrower's liability under the Loan has not been released. The Company shall not unreasonably withhold approval of an assumption. Upon termination of coverage under this Condition, the Company's liability shall be limited to the return of a portion of the premium paid prior to the date of such termination in accordance with the applicable cancellation schedule and all premiums paid after the date of such

termination. It is understood that coverage will continue, and that the restriction of this Condition shall not apply, if the Insured cannot exercise a "due-on-sale" clause under the Loan or applicable law.

- I. **Servicer**—The Insured may transfer (by sale or otherwise) the right to service a Loan, subject to the Company's written approval. The Insured shall furnish written notice to the Company within thirty (30) days after the date the servicing is transferred. The Company may withdraw its approval of any approved Servicer by furnishing written notice to the Insured. The Insured shall replace a Servicer as to which approval is withdrawn within ninety (90) days after receipt of the Company's notice of withdrawal. The approved Servicer shall be considered the agent of the Insured with respect to all matters involving this Policy, including but not limited to the giving and receiving of notice of a Claim, the cancellation of a Certificate, the payment of premiums, and the receipt of any premium refunds that may become due under this Policy, and the Insured shall be bound by the acts and omissions of the Servicer as if they were the Insured's own acts and omissions.
- J. **Change of Insured**—If a Loan or a majority participation in a Loan is sold, assigned, or transferred by the Insured, coverage under the Certificate will continue with respect to the Loan, and the new owner or majority loan participant shall be considered the Insured(s) hereunder from the date notice thereof is given to the Company, if the new owner or majority loan participant is an institutional investor approved by the Company in advance, or otherwise from the date the new owner or loan participant is approved in writing by the Company; provided that, in either case, the Loan continues to be serviced by a Servicer approved by the Company. For purposes hereof, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation are considered approved institutional investors. Coverage for any Person becoming an Insured pursuant to this Condition shall be subject to all of the terms, conditions, and exclusions contained in this Policy and to all defenses to coverage available to the Company against the original Insured. Approval by the Company of a change of Insured shall not constitute a waiver by the Company of any rights under this Policy or any coverage defenses.
- K. **Coordination and Duplication of Insurance Benefits**—
 1. If any portion of the Loan is uninsured, all payments made by the Borrower under the terms of the Loan shall be allocated to the insured portion of the Loan in the same ratio as the insured principal amount bears to the total principal amount of the Loan. Any payment of a Loss hereunder shall be likewise allocated on the same pro-rata basis.
 2. The Insured shall not carry duplicate mortgage guaranty insurance (other than mortgage guaranty pool insurance or supplemental mortgage guaranty insurance) on any Loan.
 3. The coverage under this Policy shall be excess over any other insurance which may apply to the Loan, except for mortgage guaranty pool insurance or supplemental mortgage guaranty insurance.

III. Exclusions From Coverage

The Company shall not be liable for, and the Policy shall not apply to, extend to, or cover the following:

- A. **Balloon Payment**—Any Claim arising out of or in connection with the failure of the Borrower to make any payment of principal and/or interest due under the Loan, which payment arises because the Insured exercises its right to call the Loan when not in Default or because the term of the Loan is shorter than the amortization period, and which payment is for an amount more than twice the regular periodic payments of principal and interest that are set forth in the Loan (commonly referred to as a "Balloon Payment"); provided, however, that such exclusion shall not apply if the Insured or its approved Servicer offers the Borrower a renewal or extension of the Loan or a new loan at market rates, otherwise subject to Section II.F., in an amount not less than the then outstanding principal balance with no decrease in the amortization period. The exclusion shall not apply if the Borrower is notified of the availability of a renewal or extension of the Loan or a new loan and does not seek such renewal, extension or new loan.
- B. **Effective Date**—Any Claim resulting from a Default occurring before the Effective Date of the Policy or Certificate or after its lapse or cancellation, unless coverage is renewed in accordance with Condition II.C.
- C. **Incomplete Construction**—Any Claim when, as of the date of such Claim, construction of the Property is not completed in accordance with the construction plans and specifications (other than construction of repairs for Physical Damage occurring after the Effective Date of the Certificate).
- D. **Negligence and Fraud**—Any Claim involving or arising out of any dishonest, fraudulent, criminal, or knowingly wrongful act (including error or omission) by the Insured or the Servicer; or any Claim involving or arising out of negligence of the Insured or the Servicer, which negligence either (1) is material to the acceptance of the risk or

to the hazard assumed by the Company or materially contributed to the Default resulting in such Claim, or (2) increased the Claim Amount, except that if the Company can reasonably determine the amount of such increase, such Claim will not be excluded, but the related Claim Amount will be reduced by the extent of such amount.

E. **Non-Approved Servicer**—Any Claim occurring when the Servicer, at time of Default or thereafter, was not approved by the Company, provided that if approval of the Servicer is withdrawn by the Company pursuant to Condition II.I., the Servicer shall be deemed approved for purposes of this Condition until 90 days after the Insured has received the Company's notice of disapproval.

F. **Environmental Impairment**—Any Claim involving Property that is subject to tangible injury caused by an Environmental Impairment, which has not been removed or remediated by the Insured in accordance with applicable federal, state, or local standards, and which was in existence prior to the Effective Date of the Certificate and

1. originated outside the dwelling (except radon);
2. was the principal cause of the Default;
3. was not known to the Company on the Effective Date of the Certificate; and
4. renders the Residential structure on the Property uninhabitable. For purposes hereof, a structure shall be considered "uninhabitable" if generally recognized standards for residential occupancy are violated or if, in the absence of such standards, a reasonable person would conclude that the structure does not provide a reasonably safe place to live without fear to health or safety.

G. **Non-Eligible Loans**—Any Loan not eligible for coverage under the Manual or as to which the Insured failed to satisfy all of the underwriting procedures in the Manual, or any Loan as to which the Insured fails to submit a copy of its Loan file to the Company within thirty (30) days after the Company's written request.

IV. Conditions Precedent to Payment of Loss

It is a condition precedent to the Company's obligation to pay a Loss that the Insured comply with all of the following requirements:

A. **Notice of Default**—The Insured shall give the Company written notice:

1. Within forty-five (45) days of the Default, if it occurs when the first payment is due under the Loan; or
2. Within ten (10) days of the earlier of either
 - a. The date when the Borrower becomes four (4) months in Default on the Loan; or
 - b. The date when any proceeding, including Appropriate Proceedings, which affects the Loan or the Property or the Insured's or Borrower's interest therein has been started.
3. The Company shall not deny a claim by reason of the Insured's failure to provide timely notice as provided above unless the Company is materially prejudiced by such failure or written notice is not given to the Company within twelve (12) months after such notice became untimely. In the event the Company pays a claim as to which notice was not given timely, all Loan interest accruing during the period of lateness shall be excluded from the calculation of Loss.

B. **Monthly Reports**—Following a notice of Default on a Loan, the Insured shall give the Company monthly reports, on forms furnished by the Company, on the status of the Loan and on the servicing efforts undertaken to remedy the Default. These monthly reports shall continue until the Borrower is no longer in Default, the Appropriate Proceedings terminate, or until the Insured has obtained Borrower's Title to the Property.

C. **Company's Options after Notice of Default**—

1. If the Company so requests, the Insured shall permit the Company to assist the Insured in the collection of monies due under the Loan, including but not limited to activities such as obtaining information from the Borrower, attempting to develop payment schedules acceptable to the Insured, conducting Property inspections, and requesting appraisals of the Property.

2. If the Company so directs, at any time after receiving the Insured's Notice of Default, the Insured shall file a Claim within twenty (20) days and the Company shall make a payment of Loss in accordance with Condition V.C.2. Thereafter, following acquisition of Borrower's Title to the Property or either of the events described in Condition V.A.2. or V.A.3., the Insured shall be entitled to file a supplemental Claim in an amount equal to the sum of the advances, not included in the initial Claim, made by the Insured under Condition IV.G., subject to the limitation of Condition V.B.1.c., less the seven deductions specified in Condition V.B.2., to the extent not deducted in the payment of the initial Claim, and such supplemental Claim shall be paid by the Company in accordance with Condition V.C.2. For purposes of calculating the supplemental Claim, all amounts reimbursable to the Insured pursuant to Condition IV.H.2. shall be reimbursed in full.

D. Voluntary Conveyance—The Insured may accept a conveyance of title from the Borrower in lieu of foreclosure or other proceeding if:

1. a. The ability of the Insured to preserve, transfer and assign to the Company the Insured's rights against the Borrower is not impaired; and
b. The rights of the Company under this Policy against such Borrower are not adversely affected; or
2. The written approval of the Company has been obtained.

E. Appropriate Proceedings—The Insured MUST begin Appropriate Proceedings when the Loan becomes six (6) months in Default unless the Company provides written instructions that some other action be taken. The Company reserves the right to direct the Insured to institute Appropriate Proceedings at any time after Default. When either defending against or bringing Appropriate Proceedings, the Insured shall report the status of these proceedings to the Company as reasonably and expeditiously as possible.

In conducting Appropriate Proceedings, the Insured shall:

1. Diligently pursue the Appropriate Proceedings once they have begun;
2. Apply for the appointment of a receiver and assignment of rent, if permitted by law and requested by the Company;
3. Furnish the Company with copies of all notices and pleadings filed or required in the Appropriate Proceedings;
4. Act so that its ability to preserve, transfer and assign to the Company its rights against the Borrower is not impaired; and so that the rights of the Company under this Policy against the Borrower are not adversely affected, including any rights to obtain a deficiency judgment in accordance with Condition IV.H.;
5. Furnish the Company with a written statement indicating the estimated potential Loss, calculated in accordance with Condition V.B., at least fifteen (15) days before the foreclosure sale; and
6. Bid an amount at the foreclosure sale which fully protects the rights of the Company under this Policy against the Borrower, including any rights to obtain a deficiency judgment in accordance with Condition IV.H. The Insured shall follow the bidding instructions, if any, furnished by the Company. In the absence of such instructions, the Insured may bid the amount necessary to obtain Borrower's Title to the Property. If the Insured is unable to obtain Borrower's Title to the Property because it follows the Company's bidding instructions that specify a maximum bid or the winning bid price exceeds the Insured's estimate of the Property's market value, the Insured shall be entitled to file a claim under the Policy for the lesser of (a) the Loss payable in accordance with Condition V.C.2. and (b) the difference between the Loss payable in accordance with Condition V.C.1. and the net proceeds realized at the foreclosure sale. If the Company specifies a maximum bid that results in the amount described in (b) above exceeding the amount described in (a) above, then the Insured shall be entitled to file a claim under the Policy for the greater of such amounts. If the Company specifies a minimum bid that is less than the difference between the Loss payable in accordance with Condition V.C.1. and the Loss payable in accordance with Condition V.C.2. and the Property is redeemed from the Insured for less than the amount owed under the terms of the Loan, the Insured shall be entitled to file a claim for the difference between the Loss payable in accordance with Condition V.C.1. and the redemption price of the Property.

F. Mitigation of Damages—

1. The Insured shall actively cooperate with the Company to prevent and mitigate the Loss and to assist the

Company in the Company's attempts to prevent and mitigate the Loss, including but not limited to good faith efforts to effectuate the early disposition of the property. The Company will administer the Policy in good faith.

2. Until such time as the Company waives its right to settle a Claim in accordance with Condition V.C.1. or its right to elect such method of settlement has expired, the Insured shall not execute a binding contract to sell the Property without the Company's prior approval. Further, the Insured shall authorize its broker to release to the Company marketing information for the Property when requested by the Company, unless the Insured shall have notified the broker that the Company's right to elect to settle a Claim in accordance with Condition V.C.1. has been waived or has expired. If the Insured wishes to obtain the Company's approval to execute a binding contract to sell the Property, it will submit to the Company information concerning the proposed Property sale, the expense items proposed by the Insured to be deducted from the gross proceeds of sale for purposes of Condition V.C.3., and the Insured's then-estimated amounts thereof. The Company will approve or reject the proposed settlement and will not require the Insured to make counteroffers. If the Company elects to settle the Claim in accordance with Condition V.C.1., it will thereafter control the marketing of the Property.
- G. **Advances**—The Insured shall advance real estate property taxes and normal and customary hazard insurance premiums, foreclosure and eviction costs (including but not limited to Court Expenses and reasonable attorneys' fees), and necessary and reasonable expenses for the protection and preservation of the Property. The costs of repairing Physical Damage to the Property shall not be considered an approvable expense.
- H. **Deficiency Actions**—
1. If either the Company or the Insured elects to pursue a deficiency judgment against the Borrower, such party shall notify the other and together they shall determine for whose benefit the action shall be undertaken after considering all material information available. Any amounts collected from a judgment thereon, less post-judgment collection costs, shall be paid to the party for whose benefit the action was commenced. If pursuit of the deficiency judgment was undertaken for the mutual benefit of the Company and the Insured, (a) the rights against the Borrower will be held jointly, with each plaintiff having full and undivided rights against the Borrower, and (b) the Company shall be entitled to a percentage of the net amount collected, determined by dividing the total Loss paid by the Company with respect to the Claim by the gross amount of the deficiency judgment, and the balance shall be paid to the Insured. Until payment of Loss by the Company, the Insured shall retain control and management of a deficiency action undertaken for the mutual benefit of the Company and the Insured; and thereafter the control and management of such action shall be in accordance with the Company's instructions, provided that the Insured may retain control and management if, determined at the time of payment of the Loss, the Insured has more at risk than the Company due to multiple loan defaults by the same Borrower.
 2. If the pursuit of a deficiency judgment will cause additional expense, whether through delay in the Insured's ability to obtain Borrower's Title to the Property (free of any redemption rights) or otherwise, all advances made by the Insured pursuant to Condition IV.G., notwithstanding any limitation thereon continued to Condition V., and the amount of interest on the Loan computed at the contract rate stated in the Loan which are paid or accrued solely because of such delay in obtaining Borrower's Title to the Property shall be reimbursed as follows:
 - a. If pursuit of the deficiency judgment was undertaken solely for the Company's benefit, all such amounts shall be added to the Loss payable by the Company hereunder;
 - b. If pursuit of the deficiency judgment was undertaken solely for the Insured's benefit, no such amounts shall be recoverable hereunder; and
 - c. If pursuit of the deficiency judgment was undertaken for the mutual benefit of the Company and the Insured, all such amounts shall be allocated between the Company and the Insured in the same proportion to which they are entitled to share in the deficiency judgment, and appropriate settlement shall be made in accordance with such allocation. A settlement shall be made upon conclusion of the deficiency action for items paid or accrued through such date, and a final settlement shall be made after completion of any collection efforts.
- I. **Claim Information**—In order to make a Perfected Claim, the Insured must provide the Company with the following:
1. A completed form approved by the Company for payment of a Claim;
 2. All information reasonably requested by the Company;

3. An executed trustee's or sheriff's deed, or other evidence satisfactory to the Company that the foreclosure sale has been completed, or a deed from the Borrower in the case of a voluntary conveyance, demonstrating that the Insured has obtained Borrower's Title to the Property; and
4. Access to the Property if requested by the Company;

provided that the Insured shall not be required to comply with subparagraphs 3 and 4 above if the Property is redeemed by the Borrower pursuant to the exercise of redemption rights arising in a foreclosure sale or is conveyed to a third party prior to the filing of a Claim in a foreclosure sale or in an early disposition of the Property approved by the Company.

V. Loss Payment Procedure

- A. Filing of Claim**—The Insured shall file a Claim no later than sixty (60) days following the first to occur of the following events:

1. The acquisition by the Insured of Borrower's Title to the Property and the expiration of any redemption rights;
2. The disposition of the Property to a third party at a foreclosure sale; or
3. The early disposition of the Property to a third party with the Company's approval pursuant to Condition IV.F.

If the Insured fails to file a Claim within the time prescribed, such failure shall be deemed to have been an election by the Insured to waive any right to any benefit under this Policy with respect to the affected Loan unless the Company agrees otherwise.

- B. Calculation of Claim Amount**—The Claim Amount shall be an amount equal to the following:

1. The sum of
 - a. The amount of unpaid principal balance due under the Loan as of the date of Default;
 - b. The amount of accumulated delinquent interest due on the Loan, computed at the contract rate stated in the Loan, through the date that the Claim is submitted to the Company or, if earlier, the date sixty (60) days after the occurrence of the applicable event described in Condition V.A.; and
 - c. The amount of advances made by the Insured under Condition IV.G.; provided that
 - (1) Attorney's fees advanced thereunder shall not exceed three percent (3%) of the sum of the unpaid principal balance and the accumulated interest payable in accordance with Condition V.B.1.b; and
 - (2) Payment for such other advances shall be prorated through the date the Claim is submitted to the Company or, if earlier, the date sixty (60) days after the occurrence of the applicable event described in Condition V.A.
2. Minus the sum of
 - a. The amount of all rents and other payments (excluding proceeds of fire and extended coverage insurance) collected or received by the Insured, which are derived from or in any way related to the Property (other than proceeds of a sale of the Property);
 - b. The amount of cash remaining in any escrow account as of the last payment date;
 - c. The amount of cash to which the Insured has retained the right of possession as security for the Loan;
 - d. The amount paid under applicable fire and extended coverage policies which are not applied to restoring and repairing the Property, if the Property suffered Physical Damage, and which has not been applied to the payment of the Loan;
 - e. The estimated cost to repair Physical Damage to the Property, if more than \$1,500.00, but only if the Company elects to settle the Claim pursuant to Condition V.C.1. and the Insured does not elect to perform such repairs;
 - f. The amount expended by the Insured for advances not authorized by Condition IV.G; and

- g. The amount of any payments of Loss previously made by the Company on the Loan.
3. If a Loan has been divided into secured and unsecured portions pursuant to proceedings under the federal bankruptcy laws, the amount of Loss shall include unpaid principal due under the unsecured portion of the Loan, even if the Borrower has been released from such portion of the Loan, with interest thereon computed at the note rate from the date of Default through the date referred to in Condition V.B.1.b.
- C. **Payment of Loss**—The Company shall elect the method of Loss settlement, as provided herein, within sixty (60) days after the Insured has filed a Claim in accordance with Condition V.A., whether or not the Company has made a final determination to accept the Claim. If additional information is required in order to make the Claim a Perfected Claim, the Company must request such information from the Insured within twenty (20) days after the date the Claim was filed, whereupon the 60-day period shall be suspended until such additional information is furnished to the Company. If at any time prior to its settlement election the Company is denied reasonable access to the Property, the 60-day period shall be suspended until such access is made available to the Company. The Company shall select from the following settlement options, at its sole discretion:
1. Acquire title to the Property and pay the Claim Amount calculated in accordance with Condition V.B. The Loss shall be payable only if all of the following conditions are satisfied:
 - a. Title to the Property is conveyed to the Company by delivery of a recordable deed in normal and customary form, containing the usual warranties and covenants and conveying to the Company or its designee Good and Merchantable Title to the Property, together with evidence satisfactory to the Company, in the form of a title insurance policy approved by the Company or an opinion of title from an attorney approved by the Company, that the Insured has acquired and can convey to the Company or its designee Good and Merchantable Title to the Property;
 - b. All Physical Damage to the Property has been repaired by the Insured, but only if the cost of repairs exceeds \$1,500.00 and the Insured has elected to repair Physical Damage to the Property in lieu of accepting a deduction from the Loss payment pursuant to Condition V.B.2.e. If the Insured elects to accept a deduction from the Loss payment in lieu of performing repairs, the Insured shall, at the Company's request, assign all of the Insured's rights, title, and interests in any and all insurance policies pertaining to the Property (but only to the extent the proceeds thereof have not been deducted from the Loss pursuant to Condition V.B.2.d.); and
 - c. Possession of the Property is furnished to the Company.
 2. Pay a percentage of the Claim Amount pursuant to the coverage option specified on the Certificate. If the Company elects to pay the Loss under the terms of this subparagraph 2, the Company shall have no rights in the Property and the title to the Property shall be retained by the Insured; or
 3. If the Property is redeemed by the Borrower pursuant to the exercise of redemption rights arising in a foreclosure sale or is conveyed to a third party prior to the date the Loss payment becomes due in a foreclosure sale or in an early disposition with the Company's approval, the Company shall pay the lesser of (a) the Loss calculated in accordance with Condition V.B. minus the net proceeds of such disposition (i.e., net of actual and reasonable marketing and closing costs), or (b) the percentage of Loss calculated in accordance with Condition V.B. pursuant to the coverage option specified on the Certificate (unless the Company is required to pay the greater of amounts (a) and (b) under the specific circumstances described in Condition IV.E.6.).

Except as provided in Condition VI.C., payment of Loss shall be made not later than the end of the 60-day period or, if settlement is to be made in accordance with Condition V.C.1., not later than ten (10) days after the Insured notifies the Company that it has satisfied all of the conditions stated therein, or the end of the 60-day period, whichever is later.

- D. **Discharge of Obligation**—Any and all payments in the full amount required by Condition V.C., plus any amounts required by Condition IV.C.2 and Condition IV.H.2, shall be a final discharge of the Company's obligation with respect to such Loss under this Policy.

VI. Additional Conditions

- A. **Proceedings of Eminent Domain**—In the event that part or all of the Property is taken by eminent domain, condemnation or by any other proceedings by a federal, state or local governmental unit or agency, the Insured shall require that the Borrower apply the maximum permissible amount of any compensation awarded in such

proceedings to reduce the principal balance of the Loan, in accordance with the law of the jurisdiction where the Property is located.

B. Subrogation—

1. To the extent permitted by applicable law, the Company shall be subrogated pro rata (with pro rata shares determined in accordance with Condition IV.H.) to all of the Insured's rights of recovery against the Borrower and any other person or organization relating to the Loan or to the Property; except that the Company will be entitled to all such rights if it is determined pursuant to Condition IV.H. that only the Company will pursue such rights or if the Company pays such Loss pursuant to Condition V.C.1. or Condition V.C.3.(a); and except, further, that the Insured will be entitled to all such rights if it is determined pursuant to Condition IV.H. that only the Insured will pursue such rights or if the Company is not entitled by law to pursue such rights. The Insured shall execute and deliver at the request of the Company such instruments and papers and undertake such actions as may be necessary to transfer, assign and secure such rights. The Insured shall refrain from any action, either before or after payment of a Loss hereunder, that would prejudice such rights.
2. The execution by the Insured of a release or waiver of the right to collect the unpaid balance of a Loan shall release the Company from its obligation under its Certificate to the extent and amount of said release or waiver, anything in this Policy to the contrary notwithstanding.

C. Claims Delay—If the payment of Loss is delayed pending an investigation by the Company of possible coverage defenses or for any other reason, simple interest on the amount thereof, computed at the contract rate or rates stated in the Loan through the date the Loss is paid, shall be added to the Loss payment. In no event shall the Company delay its decision to accept or deny a Claim more than one hundred twenty (120) days after the date the payment of Loss was otherwise required pursuant to Condition V.C. The denial of a Claim shall not abate the accrual of interest pursuant to this Condition VI.C. if it is ultimately determined, by legal proceedings or otherwise, that the Claim is covered under the Policy.

D. Misrepresentation and Materiality of Obligations—The Insured agrees that statements made in matters presented by it, the Borrower, or any other party in any application for coverage under this Policy, and in the appraisal, the plans and specifications, and other exhibits and documents submitted therewith or at any time thereafter are the Insured's representations, and that the Company has issued the Certificate in reliance on the correctness and completeness thereof.

E. Notice—In addition to all other means of communication deemed acceptable by the Company in writing, all notices, claims, tenders, reports and other data required to be submitted to the Company by the Insured shall be mailed postpaid to the Company at P.O. Box 2300, Winston-Salem, North Carolina 27102. The Company may change this address by giving written notice to the Insured. All notices to the Insured shall be postpaid to the address on the face of this Policy or the last known address unless the Company is otherwise notified in writing. The Company and the Insured may mutually agree that notices shall be sent to any additional Person. No liability is incurred by the Company if it is discovered that notice should have been sent to a Person other than the Insured or such additional Persons theretofore mutually agreed upon.

F. Reports and Examinations—The Company may call upon the Insured for such reports pertaining to any Loan insured hereunder as it may deem necessary and may inspect the books or accounts of the Insured as they pertain to any Loan insured hereunder.

G. Suit—

1. No suit or action for recovery of any Claim under this Policy shall be sustained in any court of law or equity unless the Insured has substantially complied with the terms and conditions of this Policy, and unless the suit or action in equity is commenced within three (3) years [five (5) years in Kansas and Florida] after the Claim has been filed with the Company. No suit or action for Claim may be brought against the Company until sixty (60) days from the date that the Claim is filed.
2. If a dispute arises concerning the Loan and involving either the Property or the Insured, the Company has the right to protect its interest by defending the suit, even if the allegations contained in such suit are groundless, false or fraudulent. The Company is not required to defend any lawsuit involving the Insured, the Property or the Loan. The Company shall also have the right to direct the Insured to institute a suit on the Insured's behalf, at the Company's expense, if this suit is considered necessary or appropriate by the Company to preserve the Company's rights.

3. If, under applicable law, the Borrower successfully asserts a defense which results in the release in whole or in part of the Borrower's obligations to repay the Loan, the Company shall be released to the same extent and amount from its liability under this Policy except as provided in Condition V.B.3.
- H. **Conformity to Statute**—Any provision of this Policy which is in conflict with the law of the jurisdiction in which the Insured is located is hereby amended to conform to the minimum requirements of that law.
- I. **Special Conditions**—The Company will not rescind coverage or deny or adjust a claim with respect to a Loan on the basis of a failure to satisfy a special condition (other than a special condition relating to completion of constructing rehabilitation or repairs) if the Borrower has made twenty-four (24) consecutive monthly payments from the Borrower's own funds.
- J. **Premium Refunds**—If a Claim is excluded and the Company is not otherwise prejudiced or damaged thereby, the Company shall refund to the Insured a portion of the premium paid on the Certificate prior to the date of the event giving rise to such exclusion in accordance with the applicable cancellation schedule and all premiums paid after the date of such event.
- K. **Incontestability**—Subject to the satisfaction of all of the conditions set forth below, the Company agrees not to reject or deny a claim for benefits under this Policy by reason of fraud, negligence, omission, error, or misrepresentation in the application for coverage of a Loan, or in any statement, document, exhibit, or information submitted in connection with an application for coverage. This provision will not apply unless all of the following conditions are satisfied:
1. The Insured, any officer, employee, or agent of the Insured, any mortgage broker or intermediary underwriting or originating the Loan, or any other Person under contract with any of the foregoing Persons acting with respect to the Loan or the related Property transaction (including but not limited to an appraiser, escrow agent, or closing agent) did not possess or otherwise acquire actual knowledge of such fraud, negligence, omission, error, or misrepresentation prior to or within twelve (12) months after the Effective Date of coverage with respect to the Loan;
 2. The Company did not acquire actual knowledge of such fraud, negligence, omission, error, or misrepresentation prior to or within twelve (12) months after the Effective Date of coverage with respect to the Loan, or if such knowledge was acquired by the Company within such twelve-month period, the Company failed to rescind coverage within thirty (30) days after the date it acquired such knowledge; and
 3. The Borrower has made twelve (12) consecutive regularly-scheduled loan payments prior to the date the Loan went into Default, utilizing funds available to Borrower from sources other than any Person described in condition 1. above.
